MY Production does not assume any responsibility or liability for the actions, product, and content of all of these or any other third parties. You can tell when a third party is involved in your transactions, and we may share your information related to those transactions with that third party. You should carefully review their privacy statements and other conditions of use.

10. MY PRODUCTION'S ROLE

MY Production allows third party partners or producers to sell their videos / films etc. at MY Production.co.uk on the Streaming Platform after a license deal is signed. In each such case this is indicated on the respective product detail page such as director name, cast/crew information etc. Whilst My Production assists with marketing and hosts the content on the Streaming Platform, the seller is responsible for their own marketing or any other buyer claims that may be outside of MY Production's control such as copyright issues as the license deal that MY Production signs with the content owner prior to release confirms all rights have been cleared for release. Videos will be removed from the Streaming Platform should there be any breach. Because MY Production wants the customer to have a safer purchasing or renting experience, MY Production provides refund options to the customer should there be any technical issues with the site or another valid reason such as a quality issue of the video. Trailers and synopsis details are available to review prior to buying and renting a film from the Streaming Platform and therefore there we cannot refund customers who appear to have watched the entire film after renting/purchasing. A valid reason is required within 14 days for any refund and should be emailed to info@myproduction.co.uk

11. OUR LIABILITY

We will do our best to ensure that availability of the MY Production Services will be uninterrupted and that transmissions will be error-free. However, due to the nature of the internet, this cannot be guaranteed. Also, your access to MY Production Services may also be occasionally suspended or restricted to allow for repairs and maintenance. We will attempt to limit the frequency and duration of any such suspension or restriction.

12. APPLICABLE LAW

These conditions are governed by and construed in accordance with the laws of the United Kingdom (England and Wales).

13. ALTERATIONS TO SERVICE OR AMENDMENTS TO THE CONDITIONS OF USE

We reserve the right to make changes to any MY Production Services, policies, terms and conditions including these Conditions of Use, and Service Terms at any time. You will be subject to the terms and conditions, policies and Conditions of Use in force at the time that you use the MY Production Services. If any of these Conditions of Use is deemed invalid, void, or for any reason unenforceable, that condition will be deemed severable and will not affect the validity and enforceability of any remaining condition.

14. WAIVER

If you breach these Conditions of Use and we take no action, we will still be entitled to use our rights and remedies in any other situation where you breach these Conditions of Use.

15. CHILDREN

To confirm, we do not sell physical products for purchase by anyone or children. However, the Streaming Platform contains videos where a suggested film rating system has been put in place by the platform, displayed next to the title of the film. For example, if a film shows "The Honey Killer (16+)", that means that persons under the age of 16 are not allowed to view the content or rent/purchase the film. A parent or guardian should be responsible for what their children look at over the internet. If you are under 18 you may use the MY Production Services only with the involvement of a parent or guardian or review videos where your age matches the suggested rating, as some films are not recommended for all ages.

18. NOTICE AND PROCEDURE FOR NOTIFYING MY PRODUCTION OF DEFAMATORY CONTENT

Because hundreds of films/content for streaming are available to rent/buy, and many customer reviews and comments are hosted over the internet about videos, it is not possible for us to be aware of the contents of each digital product listed for sale, or each customer review or comment that is displayed. Accordingly, we operate on a "notice and action" basis. If you believe that any content on, or within a digital product advertised for sale on, the MY Production website contains a defamatory statement, please notify MY Production immediately by emailing info@myproduction.co.uk and submitting a notice. Ideally head up the email subject with "Defamation Notice [insert your name]".

Important Warning: giving false, misleading or inaccurate information in the notice to MY Production of Defamatory Content on www.myproduction.co.uk may result in civil and criminal liability.

Conditions of Sale

These Conditions of Sale govern the sale of videos by MY Production Services to you. We offer a wide range of MY Production Services, and sometimes additional terms may apply. For example in addition to the Streaming Platform, we offer film distribution, aggregation services, film sales, production and post production services. Such services have a separate agreement in place via the client and MY Production that may be part of these terms and conditions or created separately to these terms and conditions depending on the service required. When you use an MY Production Service online at www.myproduction.co.uk (for example Your Profile, or MY Production applications for mobile), you will also be subject to the terms, guidelines and conditions applicable to that MY Production Service ("Service Terms"). If these Conditions of Sale are inconsistent with the Service Terms, those Service Terms will control.

2. RIGHT OF CANCELLATION UP TO 14 DAYS

STATUTORY RIGHT

Unless one of the exceptions listed below applies, you can get a refund.

You must inform us of your decision to cancel your purchase or rental of the video within 14 days. You may submit your request via email to info@myproduction.co.uk by contacting us. To meet the

cancellation deadline, it is sufficient for you to send your communication before the 14 days' cancellation period has expired and detail the reason you are cancelling via email where we will decide if we can offer a refund.

EFFECTS OF CANCELLATION

We will reimburse all payments received from you for the digital videos rented or purchased if there was a technical issue only, such as the videos rented/purchased not playable or if our website is down. We will use the same means of payment as you used for the initial transaction unless you have expressly agreed otherwise. In any event, you will not incur any fees as a result of such reimbursement. We may withhold reimbursement until we have fully assessed the reason for cancelling and checked any technical issues queried by you because of you requesting a refund. Should you decide to purchase or a rent a film after having reviewed the trailer and synopsis, we cannot issue a refund if you did not enjoy the film or if it was not what you were expecting. You must decide based on the trailer and film details if you want to rent/purchase the content prior.

3. PRICING AND AVAILABILITY

All prices are inclusive of legally applicable VAT.

We list the price of our digital products on the Streaming Platform, where they can be rented or purchased or if a subscription-based model is available there will be a monthly or yearly fee listed to subscribe. Beyond what we say on that page or otherwise on the website, we cannot be more specific about availability due to specific territory rights we may not have license to. For example, some films may be listed for purchase/rent, but in some cases where there are territory restrictions with our content owners, you may not be able to purchase/rent/view depending on which territory you are based in. Before any payments are taken, you will get an automated note if there are any territory restrictions. If for any reason this does not happen, then please contact info@myproduction.co.uk. Once a sale has been made, we will inform you by e-mail notification – automated, confirming the digital product purchased and amount spent.

4. PRODUCT INFORMATION

Unless expressly indicated otherwise, MY Production is not the creators of the digital content sold on this website. We list digital products such as artwork and metadata as supplied by the content owner or create the deliverables as part of our service to the film-makers/content providers. Should you find any discrepancies this is not the error of MY Production. Should you spot any discrepancies with film artwork, metadata, synopsis etc, then it should be addressed to info@myproduction.co.uk so that we can resolve the issue. If for any reason it was an error on our part, it will be fixed within 14 days. However, in most cases the issue is resolved within 24 hours.
